

# **ENVIRONMENT COMPLIANCE AND ADVISORY SERVICES**

## About CII-EnCAsE

The need for protection and conservation of environment and sustainable use of natural resources is reflected in the constitutional framework of India. Legislations are required in order to prevent misuse and degradation of the environment.

India has an impressive number of environmental regulations. However, sometimes it becomes difficult to keep track of and comply with numerous Environmental Legislations published from time to time.

Therefore with an objective to help Indian Industry keep abreast with all the latest Environment Legislations, CII brings to you a cost effective tool called CII- EnCAsE.

## Why CII-EnCAsE?

- The service is managed by CII Environment Policy Advocacy team, which spearheads various environment related issues at both national and state levels.
- Many leading Indian businesses have already subscribed to the service and are getting benefited.

## Key Features of CII-EnCAsE

**1**

**Regular and timely updates on latest Environment Legislations notified by MoEF&CC and CPCB**

**2**

**EnCAsE updates are easy to archive for future reference**

**3**

**Advisory support to technical queries by the team of professionals and sectoral experts**

**4**

**Updates on various upcoming capacity building programmes organised by CII Centre of Excellence for Sustainable Development**
