

The first edition of the Annual Eco Edge Stakeholder Meet held on September 18, 2024, at New Delhi, with 28 participants from key sectors such as finance, automobile, auto component manufacturing, energy and FMCG.

The event was packed with insightful discussions on:

- 🎯 Introduction and importance of the Eco Edge reassessment process
- 🎯 Key findings from past projects
- 🎯 The launch of the new Eco Edge tool with a live demo 🎉

Mr. [Shikhar Jain](#), Executive Director, [CII-ITC Centre of Excellence for Sustainable Development](#) and Ms. [Seema Arora](#), Deputy Director General, [Confederation of Indian Industry](#) addressed the participants, underscoring the need for integrating sustainability into business practices and value chains.

✧ Key insights were shared by sourcing companies, financial institutions, and value chain partners on challenges and opportunities of embedding sustainability 🌱

✧ Feedback gathered from existing and prospective Eco Edge members regarding the programme
