

Since its inception in 2022, [Eco Edge- Integrating Sustainability in Value Chains of Companies](#) has made great strides in its pilot programme with [Škoda Auto Volkswagen India Private Limited](#). We have collaborated closely with them and their value chain partners, focusing on [Decarbonization](#), [Circularity](#), [HealthandSafety](#), and [HumanRights](#).

These qualified value chain partners who participated in the Eco Edge assessment, also attended awareness training and capacity building sessions. The assessment involved 17 value chain partners out of which 14 partners qualified for recognition.

At the 18th CII Sustainability Summit, Skoda and its 14 value chain partners were awarded with Eco Edge Emerging certificates for demonstrating initial strides towards integrating sustainability in its operations. We congratulate each one of these companies for taking the initiative towards inclusive and sustainable development.
