

[Eco Edge- Integrating Sustainability in Value Chains of Companies](#) is delighted to share that Ms [Swati Tewari](#) , Senior Counsellor at [CII-ITC Centre of Excellence for Sustainable Development](#), recently conducted a comprehensive session on "ESG in Value Chains" for the vendors of [JK Lakshmi Cement Ltd.](#) on the 6th of October 2023.

The session was rich with valuable insights, and covered essential topics like:

- A deep dive into the meaning and significance of [hashtag #ESG](#) (Environmental, Social, and Governance) in today's corporate landscape.
- An exploration of why ESG has become paramount for value chain partners, shedding light on perspectives from investors, regulations, and the requirements of parent companies.
- The benefits that arise from integrating ESG practices into business operations.
- Insights on how Eco Edge can empower vendors on their sustainability journey, ensuring positive environmental and social impact.

Sustainability is not just a buzzword but a fundamental cornerstone of responsible and forward-thinking business practices. Let's collectively shape a world where responsible business practices are not just a choice, but a standard. Sign up with EcoEdge today: <https://lnkd.in/dJMavkMb>
