

[Škoda Auto Volkswagen India Private Limited](#) recently hosted an Earth Day event on April 23rd at their facility in Chakan, Pune.

The event highlighted several key features:

- ✳ Board members renewed and took new pledges on sustainability.
- ✳ Various sustainability practices across different functions were emphasized.
- ✳ Suppliers and dealers who showcased exemplary practices from the Eco Edge Phase 1 project were presented with certificates.
- ✳ Recognition certificates were awarded to suppliers and dealers participating in the Eco Edge Phase 2 project.

Congratulations to Skoda for their unwavering dedication to sustainability across their operations and value chains! 🙌
