

# Circular Economy Conference 2025

## Vision to action

Wednesday, 26 November 2025  
New Delhi

### Overview

As India progresses towards becoming the world's third-largest economy, securing resources via the transition to a circular economy is essential. Proactive policy and regulatory interventions, such as the EPR Guidelines, have laid a strong foundation; now is the time for Indian industry to take concrete action.

The *CII Circular Economy Conference 2025* will feature Indian industry-led initiatives that are integrating circularity principles into core business practices.

### Highlights

Detailed presentation  
by industry

Exclusive senior  
leadership workshop

Award ceremony for the  
*CII Sustainable Plastic  
Packaging Awards*

### Why participate?

Gain insights into how  
industry leaders are  
embedding circular  
economy principles  
into practice

Exchange ideas and  
establish partnerships  
with relevant  
stakeholders in the  
sector

Become part of a national  
recognition programme  
that celebrates  
innovations in plastic  
packaging sector
